ABOUT US

Atlantic Trade, operating in its sector with the slogan of "The Power That Steers the Industry"; is a brand that grows on national and international grounds with its power-ful, advanced machine park, high capacity production, wide product range, competent and experienced staff. **Atlantic Trade** aims to be an international brand that rules the sector.

Using high quality steel castings in its products, **Atlantic Trade** manufactures construction machine wear equip-ments and protective parts in accordance with world standards, as a result of the experiments of expert metallurgical engineers.

Atlantic Trade; produces unitooth tips, teeth, adapters, bucket segments, dozer blades and end bits, ripper shanks and ripper tips for all work machines.

Nearly 700 different references are produced in our production line. Most of this production is made as an original equipment manufacturer for various construction machines.

OUR VISION

Being a "rule-setting" company in its sector on the global scale.

OUR MISSION

While all stakeholders get the maximum share by uniting at the minimum, our company, which is constantly learning, is able to offer the "produced values" to the service of the sector in the most economical way.

With 700 items of spare parts in its production line, Atlantic Trade performs a certain portion of its production as an original equipment supplier of some variety of Earth Moving Machines.

***POWER THAT INFLUENCE
THE SECTOR***

Atlantic Trade

We produce 700 different parts on our production line. A significant portion of this production is for various construction machinery as an original equipment manufacturer.

Atlantic Trade

Atlantic Trade manufactures one-piece buckets, bucket teeth, adapters, bucket fronts and segments, dozer center and end blades, ripper shanks, and ripper tips for all types of construction machinery. With nearly 700 parts in its product line, Atlantic Trade also supplies some of these products as an original equipment manufacturer (OEM) to various construction machinery companies.

Atlantic Trade

Atlantic Trade supplies licensed products that are developed in its own R&D center. Atlantic Trade is among the pioneers of the sector thanks to its product range, quality, and reasonable prices.
